Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Adventist Home for the Elders** (the "Home") and its subsidiary (the "Group"), which comprise the consolidated statement of financial position of the Group and the statement of financial position of the Home as at 31 December 2016, the consolidated statement of financial activities, consolidated statement of changes in funds and consolidated statement of cash flows of the Group for the financial year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Group and the statement of financial position of the Home are properly drawn up in accordance with the provisions of the Societies Act, Chapter 311 (the "Societies Act"), the Charities Act, Chapter 37 and other relevant regulations ("the Charities Act and Regulations") and Financial Reporting Standards in Singapore ("FRSs") so as to present fairly, in all material respects, the state of affairs of the Group and the Home as at 31 December 2016, and the results, changes in funds and cash flows of the Group for the financial year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Home in accordance with the Accounting and Corporate Regulatory ("ACRA") Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Other Information

Management is responsible for the other information. The other information comprises the Statement by Management Committee included in page 2 but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the provisions of the Societies Act, the Charities Act and Regulations and FRSs, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Auditor's Responsibilities for the Audit of the Financial Statements (Cont'd)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Home's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Home to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial statements of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on other Legal and Regulatory Requirements

In our opinion,

- (a) the accounting and other records required by the Home have been properly kept in accordance with the provisions of the Societies Regulations enacted under the Societies Act, the Charities Act and Regulations.
- (b) the fund raising appeal held during the period 7 March 2016 to 20 June 2016 has been carried out in accordance with Regulation 6 of the Societies Regulations issued under the Societies Act and proper accounts and other records have been kept of the fund-raising appeal.

Report on other Legal and Regulatory Requirements (Cont'd)

During the course of our audit, nothing has come to our attention that causes us to believe that during the financial year:

- (a) the Home has not used the donation moneys in accordance with its objectives as required under Regulation 11 of the Charities (Institutions of a Public Character) Regulations; and
- (b) the Home has not complied with the requirements of Regulation 15 of the Charities (Institutions of a Public Character) Regulations.

NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2016

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

1. General information

Adventist Home for the Elders (the "Home") was registered on 21 August 1980 under the Societies Act, Chapter 311. The Home is a charity registered under the Charities Act, Chapter 37 since 28 July 1986. The sector administrator of the Home is Ministry of Social and Family Development.

The Home's registered address and principal place of operation is located at Block 195 Kim Keat Avenue, #01-294, Singapore 310195.

The Home has been accorded an Institution of a Public Character ("IPC") status for the period from 1 August 2016 to 31 July 2018.

The objective of the Home is to serve in the spirit of love.

The Consolidated financial statements are presented in Singapore Dollar which is the Group's and Home's functional currency.

There are three active centres managed by the Home:

- Adventist Active Centre @Golden Peony at Block 530A Jurong West Avenue 1, #01-907, Singapore 641530
- Adventist Active Centre @Golden Clover at Block 196, Kim Keat Avenue, #01-506, Singapore 310196
- Adventist Active Centre @Kallang Trivista at Block 8 Upper Boon Keng Road, #01-02 Singapore 380008

On 10 November 2016, a private limited company, Advent Medical Clinic Pte. Ltd. (the "subsidiary") was incorporated. The two directors are the Management Committee of the Home, namely the Vice-president and Honorary Treasurer, Choong Loon @Chong Kok Loon and Oi Keng Hunt. The principal activities of the Company are clinics and other general medical services.

Effective from the financial year ended 31 December 2016, consolidated financial statements were prepared comprising the Home and the subsidiary as the Management Committee are of the view that the Home has significant influence over the management of the subsidiary.

2. Significant accounting policies

2.1 Basis of preparation

The financial statements have been prepared in accordance with Singapore Financial Reporting Standard ("FRS"), the disclosure requirements of the Societies Act Chapter 311, Charities Act, Chapter 37 and Singapore Financial Reporting Standards. The financial statements have been prepared under the historical cost convention, except as disclosed in the accounting policies below.

The preparation of these financial statements in conformity with FRS requires management to exercise its judgement in the process of applying the Home's accounting policies. It also requires the use of certain critical accounting estimates and assumptions.

The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in Note 3.

Interpretations and amendments to published standards effective in 2016

On 1 January 2016, the Group adopted the new or amended FRS and Interpretations of FRS ("INT FRS") that are mandatory for application for the financial year. Changes to the Group's accounting policies have been made as required, in accordance with the transitional provisions in the respective FRS and INT FRS.

The adoption of these new or amended FRS and INT FRS did not result in substantial changes to the accounting policies of the Society and had no material effect on the amounts reported for the current or prior financial years.

2. Significant accounting policies

2.1 Basis of preparation (Cont'd)

New or amended Standards and Interpretations effective after 1 January 2016

The following are the new or amended Standards and Interpretations (Issued by Accounting Standards Council up to (04 January 2017) that are not yet applicable, but may be early adopted for the current financial year:

Descriptions	Annual periods commencing on
Amendments to: <ul style="list-style-type: none"> - FRS 7 Statement of cash flows (Disclosure initiative) - FRS 12 Income taxes (Recognition of deferred tax assets for unrealised losses) 	1 January 2017
FRS 109 Financial Instruments FRS 115 Revenue from Contracts with Customers Amendments to: <ul style="list-style-type: none"> - FRS 102 Classification and Measurement of Share-based Payment Transactions - FRS 40 Transfers of Investment Property - FRS 115 Clarifications to FRS 115 Revenue from contracts with customers 	1 January 2018
FRS 116 Leases	1 January 2019
Amendments to: <ul style="list-style-type: none"> - FRS 110 Consolidated Financial Statements - FRS 28 Investments in Associates and Joint Ventures (Sale or contribution of assets between an investor and its associate or joint venture) 	To be determined

Management believes that the adoption of the revised standards and interpretations will have no material impact on the financial statements in the period of initial application.

2.2 Income recognition

Income comprises the fair value of the consideration received or receivable in the ordinary course of the Group's and Home's activities. Income is recognised as follows:

2.2.1 Donations

Donations are taken up and accrued as and when they are committed. Those uncommitted donations are recognised on receipt basis. Donations-in-kind are recognised when the fair value of the assets received can be reasonably ascertained.

2.2.2 Contribution from residents

Contribution from residents is recognised on accrual basis.

2. Significant accounting policies (Cont'd)

2.2 Income recognition (Cont'd)

2.2.3 Government Grant

Grants from the government are recognised at their fair value where there is a reasonable assurance that the grant will be received and the Home will comply with all attached conditions. Government grants, relating to costs are deferred and recognised in the statement of financial activities over the period necessary to match them with the costs they are intended to compensate.

2.2.4 Interest income

Interest income is recognised on a time-proportion basis using the effective interest method, unless collectability is in doubt.

2.2.5 Other income

Other income is recognised when incurred.

2.3 Expense recognition

All expenses are accounted for on accrual basis, aggregated under the respective areas. Direct costs are attributed to the activity where possible. Where costs are not wholly attributable to an activity, they are apportioned on a basis consistent with the use of resources.

2.3.1 Cost of charitable activities

Cost of charitable activities comprises all costs incurred in the pursuit of the charitable objects of the Home. The total costs of charitable expenses are apportionment of overhead and shared costs.

2.3.2 Governance and administrative costs

Governance and administrative costs include the costs of governance arrangement, which relate to the general running of the Group, providing governance infrastructure and ensuring public accountability. These costs include costs related to constitutional and statutory requirements and an apportionment of overhead and shared costs.

2.4 Group accounting

2.4.1 Subsidiaries

(i) Consolidation

Subsidiaries are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group. They are de-consolidated from the date on that control ceases.

2. Significant accounting policies (Cont'd)

2.4 Group accounting (Cont'd)

2.4.1 Subsidiaries (Cont'd) **(i) Consolidation (Cont'd)**

In preparing the consolidated financial statements, transactions, balances and unrealised gains on transactions between group entities are eliminated. Unrealised losses are also eliminated but are considered an impairment indicator of the asset transferred. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests comprise the portion of a subsidiary's net results of operations and its net assets, which is attributable to the interests that are not owned directly or indirectly by the equity holders of the Society. They are shown separately in the consolidated statement of comprehensive income, statement of changes in equity and statement of financial position. Total comprehensive income is attributed to the non-controlling interests based on their respective interests in a subsidiary, even if this results in the non-controlling interests having a deficit balance.

(ii) Acquisition

The acquisition method of accounting is used to account for business combinations entered into by the Group.

The consideration transferred for the acquisition of a subsidiary or business comprises the fair value of the assets transferred, the liabilities incurred and the equity interests issued by the Group. The consideration transferred also includes the fair value of any contingent consideration arrangement and any pre-existing equity interest in the subsidiary measured at their fair values at the acquisition date.

Acquisition-related costs are expensed as incurred.

Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are, with limited exceptions, measured initially at their fair values at the acquisition date.

On an acquisition-by-acquisition basis, the Group recognises any non-controlling interest in the acquiree at the date of acquisition either at fair value or at the non-controlling interest's proportionate share of the acquiree's identifiable net assets.

The excess of (a) the consideration transferred the amount of any non-controlling interest in the acquiree and the acquisition-date fair value of any previous equity interest in the acquiree over the (b) fair value of the identifiable net assets acquired is recorded as goodwill.

(iii) Disposals

When a change in the Group's ownership interest in a subsidiary results in a loss of control over the subsidiary, the assets and liabilities of the subsidiary including any goodwill are derecognised.

Any retained equity interest in the entity is re-measured at fair value. The difference between the carrying amount of the retained interest at the date when control is lost and its fair value is recognised in statement of financial activities.

2.5 Property, plant and equipment

2.5.1 Measurement

All property, plant and equipment are initially recognised at cost and subsequently carried at cost less accumulated depreciation and accumulated impairment losses.

The cost of an item of property, plant and equipment initially recognised includes its purchase price and any cost that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Dismantlement, removal or restoration costs are included as part of the cost of property, plant and equipment if the obligation for dismantlement, removal and restoration is included as a consequence of acquiring or using the property, plant and equipment.

2.5.2 Depreciation

Depreciation on property, plant and equipment is calculated using the straight-line method to allocate their depreciable amounts over their estimated useful lives. The estimated useful lives are as follows:

	Useful life
Furniture and equipment	3 - 10 years
Motor vehicle	10 years
Leasehold improvement	10 years

The residual values, estimated useful lives and depreciation method of property, plant and equipment are reviewed, and adjusted as appropriate, at each statement of financial position date. The effects of any revision are recognised in the statement of financial activities when the changes arise.

2.5.3 Subsequent expenditure

Subsequent expenditure relating to property, plant and equipment that has already been recognised is added to the carrying amount of the asset only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repair and maintenance expenses are recognised in statement of financial activities when incurred.

2.5.4 Disposal

On disposal of an item of property, plant and equipment, the difference between the disposals proceeds and its carrying amount is recognised in statement of financial activities.

2.6 Financial assets

2.6.1 Classification

The Group classifies its financial assets in the following categories: loans and receivables, available-for-sale financial assets. The classification depends on the nature of the assets and the purpose for which the assets were acquired. Management determines the classification of its financial assets at initial recognition and re-evaluates this designation at every reporting date.

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market. They are presented as current assets, except those expected to be realised later than 12 months after the reporting date which are presented as non-current assets. Loans and receivables are presented as "other receivables" and "cash and cash equivalents" on the statement of financial activities.

Available-for-sale financial assets

Available-for-sale financial assets are non-derivatives that are either designated in this category or not classified in any of the other categories. They are presented as non-current assets unless the investment matures or management intends to dispose of the assets within 12 months after the reporting date.

2.6.2 Recognition and derecognition

Regular way purchases and sales of financial assets are recognised on trade date – the date on which the Home commits to purchase or sell the asset.

Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Group has transferred substantially all risks and rewards of ownership. On disposal of a financial asset, the difference between the carrying amount and the sale proceeds is recognised in statement of financial activities.

2.6.3 Initial measurement

Financial assets are initially recognised at fair value plus transaction costs.

2.6.4 Subsequent measurement

Available-for-sale financial assets are subsequently carried at fair-value. Loans and receivables are subsequently carried at amortised cost using effective interest method. Interest and dividend income on available-for-sale financial assets are recognised separately in income.

Changes in the fair values of available-for-sale debt securities (i.e. monetary items) denominated in foreign currencies are analysed into currency translation differences on the amortised cost of the securities and other changes; the currency translation differences and other charges are recognised in statement of financial activities and accumulated in the fair value reserve. Changes in the fair values of available-for-sale equity securities (i.e. non-monetary items) are recognised in statement of financial activities and accumulated in the fair value reserve, together with the related currency translation differences.

2. Significant accounting policies (Cont'd)

2.6 Financial assets (Cont'd)

2.6.5 Impairment

The Group assesses at each reporting date whether there is objective evidence that a financial asset or a group of financial assets is impaired and recognises an allowance for impairment when such evidence exists.

Loans and receivables

Significant financial difficulties of the debtor, probability that the debtor will enter bankruptcy and default or significant delay in payments are objective evidence that these financial assets are impaired.

The carrying amount of these assets is reduced through the use of an impairment allowance account which is calculated as the difference between the carrying amount and the present value of estimated future cash flows, discounted at the original effective interest rate. When the asset becomes uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are recognised against the same line item in statement of financial activities.

The impairment allowance is reduced through statement of financial activities in a subsequent period when the amount of impairment loss decreases and the related decrease can be objectively measured. The carrying amount of the asset previously impaired is increased to the extent that the new carrying amount does not exceed the amortised cost had no impairment been recognised in prior periods.

Available-for-sale financial assets

A significant or prolonged decline in the fair value of an equity security below its cost is considered as an indicator that the available-for-sale financial asset is impaired.

The cumulative loss is measured as the difference between the acquisition cost (net of any principal repayments and amortisation) and the current fair value, less any impairment loss previously recognised as an expense. The impairment losses recognised as an expense on equity securities are not reversed through the statement of financial activities.

2.7 Cash and cash equivalents

Cash and cash equivalents include cash on hand, and deposits with financial institutions that are subject to an insignificant risk of change in value. Cash and cash equivalents are carried at cost.

Fixed deposits that have short maturities of three months or less from the date of acquisition are reported as cash equivalent. All other fixed deposits are reported separately in the statement of financial position.

2.8 Other payables

Other payables are initially recognised at fair value, and subsequently carried at amortised cost, using the effective interest method.

2. Significant accounting policies (Cont'd)

2.9 Provisions for other liabilities and charges

Provisions for other liabilities and charges are recognised when the Group has a present legal or constructive obligation as a result of past events, it is more likely than not that an outflow of resources will be required to settle the obligation and the amount has been reliably estimated.

2.10 Financial liabilities

Financial liabilities are recognised when the Group becomes a party to the contractual agreements of the instrument and are classified according to the substance of the contractual arrangements entered into. All interest related charges are recognised in the statement of financial activities. Financial liabilities include "Other payables".

Financial liabilities are derecognised when the obligations under the liability are discharged, cancelled or expired. When existing financial liabilities are replaced by another from the same lender on substantially different terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in respective carrying amounts is recognised in the statement of financial activities.

2.11 Fair value estimation of financial assets and liabilities

The fair values of current financial assets and liabilities carried at amortised cost approximate their carrying amounts.

2.12 Funds

Fund balances are restricted by outside sources are so indicated and are distinguished from unrestricted funds allocated to specific purposes, if any, by action of the Management Committee. Externally restricted funds may only be utilised in accordance with the purposes for which they are established. The Management Committee retains full control over the use of unrestricted funds for any of the Home's purposes.

2.13 Leases

Operating leases

Leases of assets in which a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are taken to the statement of financial activities on a straight-line basis over the period of the lease. When an operating lease is terminated before the lease period has expired, any payment required to be made to the lessor by way of penalty is recognised as an expense in the period in which termination takes place.

Rental on operating lease is charged to statement of financial activities. Contingent rents are recognised as an expense in the statement of financial activities in the financial year in which they are incurred.

2. Significant accounting policies (Cont'd)

2.14 Employee compensation

Defined contribution plans

Defined contribution plans are post-employment benefit plans under which the Home pays fixed contributions into separate entities such as the Central Provident Fund ("CPF"), on a mandatory, contractual or voluntary basis. The Home has no further payment obligations once the contributions have been paid. The Home's contribution to defined contribution plans are recognised as employee compensation expense when they are due.

Employee leave entitlement

Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the statement of financial position date.

2.15 Income tax

Current income tax liabilities for current and prior periods are recognised at the amounts expected to be paid to the tax authorities, using the tax rates (and tax laws) that have been enacted or substantially enacted by the statement of financial position date.

Deferred income tax assets / liabilities are recognised for all deductible / taxable temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements except when the deferred income tax assets / liabilities arise from the initial recognition of an asset or liability in a transaction that is not a business combination and at the time of the transaction, affects neither accounting nor taxable profit or loss.

Deferred income tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised.

Deferred income tax assets and liabilities are measured at:

- a) the tax rates that are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled, based on tax rates (and tax laws) that have been enacted or substantially enacted by the statement of financial position date; and
- a) the tax consequences that would follow from the manner in which the Association expects, at the statement of financial position date, to recover or settle the carrying amounts of its assets and liabilities.

Current and deferred income taxes are recognised as income or expenses in the statement of comprehensive income for the period, except to the extent that the tax arises from a transaction, which is recognised directly in equity.

2.16 Related parties

A related party is defined as follows:

- a) A person or a close member of that person's family is related to the Group if that person:
 - (i) Has control or joint control of the Group;
 - (ii) Has significant influence over the Group; or
 - (iii) Is a governing board member, trustee or a member of the key management personnel of the Group or of a parent of the Group;

2. Significant accounting policies (Cont'd)

2.16 Related parties (Cont'd)

- b) An entity is related to the Group if any of the following conditions applies:
- (i) The entity and the Group are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
 - (ii) One entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the Group is a member).
 - (iii) Both entities are joint ventures of the same third party.
 - (iv) One entity is a joint venture of a third entity and the other entity is an associate of the third entity.
 - (v) The entity is a post-employment benefit plan for the benefit of employees of either the Group or an entity related to the Group. If the Group is itself such a plan, the sponsoring employers are also related to the Group.
 - (vi) The entity is controlled or jointly controlled by a person identified in (a).
 - (vii) A person identified in (a) (i) has significant influence over the entity or is a governing board member, trustee or member of the key management personnel of the entity (or of a parent of the entity).
 - (viii) The entity, or any member of a group of which it is a part, provides key management personnel services to the Group or to the parent of the Group.

3. Critical accounting estimates, assumptions and judgments

Estimates, assumptions and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

The Association makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Estimated useful lives of property, plant and equipment

The Group reviews annually the estimated useful lives of property, plant and equipment based on factors such as business plans and strategies, expected level of usage and future technological developments. It is possible that future results of operations could be materially affected by changes in these estimates brought about by changes in the factors mentioned.

3. Critical accounting estimates, assumptions and judgments (Cont'd)

Critical judgments in applying the entity's accounting policies

The key assumptions concerning the future and other key sources of estimation uncertainty at the date of the statement of financial position, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are discussed below.

Impairment of non-financial assets

Non-financial assets are reviewed for impairment whenever there is any indication that the assets are impaired. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and value in use) of the assets is estimated to determine the impairment loss. The key assumptions for the value in use calculation are those regarding the growth rates, and expected change to selling price and direct costs during the year and a suitable discount rate.

4. Tax deductible receipts

Tax deductible receipts issued by the Home for donations received during the financial year, pursuant to its Institutions of A Public Character ("IPC") status, are recorded as follows:

22. Financial risk management

The Group's activities expose it to minimal financial risks and overall risk management is determined and carried out by the Management Committee on an informal basis.

The Group is primarily funded by grants from Ministries, donations, fund raising activities, and contributions from residents. The Group's activities expose it to a variety financial risks primarily liquidity risk, credit risk and interest rate risk.

Liquidity risk

Liquidity risk refers to the risk that the Group will have insufficient resources to meet its financial liabilities as and when they fall due.

The Group adopts prudent liquidity risk management by maintaining sufficient cash and cash equivalents deemed adequate by Management to finance the Home's operations and mitigate the effects of fluctuations in cash flow.

The table below summarises the profile of the Group's and Home's financial assets and liabilities at the statement of financial position date based on contractual undiscounted payments.

<u>Payable within one year</u>			
<i>Financial liabilities</i>			
Other payables	<u>80,622</u>	<u>80,622</u>	<u>98,205</u>

Credit risk

Credit risk refers to the risk that a counter party will default on its obligations resulting in financial loss to the Group.

The carrying amounts of cash and cash equivalents, other receivables represent the Group's maximum exposure to credit risks in relation to financial assets. Cash and bank balances are placed with reputable licensed financial institutions.

22. Financial risk management (Cont'd)

Interest rate risk

The Group's exposure to interest rate risk is primarily from its fixed deposits placed with financial institutions. The Group constantly monitors movements in interest rates to ensure deposits are placed with financial institutions offering optimal rates of return.

The interest rates and terms of maturity of financial assets of the Group are disclosed in Note 9.

Changes in interest rates do not have a material impact on the Group as it does not have any interest-bearing liabilities. The following table sets out the carrying amount, by maturity, of the Group's financial instruments, that are exposed to interest rate risk.

	<u>Group</u>	<u>Home</u>

<u>Within one year – fixed rates</u>			
<i>Financial assets</i>			
Fixed deposits	<u>568,430</u>	<u>568,430</u>	<u>567,010</u>

The responsibility for managing the above risks is vested in the Management Committee.

Fair values

The carrying amounts of the financial assets and liabilities recorded in the financial statements of the Group approximate their fair values due to their short-term nature.

23. Comparative figures

There are no comparative figures as this is the first set of consolidation financial statements prepared by the Group since the Home incorporated a subsidiary on 10 November 2016.
